The Board of Studies in Biochemistry considered the following agenda for the meeting.

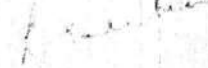

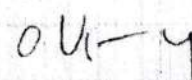

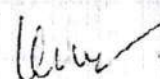

1. Course pattern, syllabus, scheme of examination for M.Sc. Biochemistry w.e.f. 2021-22 along with Programme Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs), Course Objectives (COs) and Expected Course Outcomes (ECOs).
2. Modalities for implementation of National Education Policy (NEP) in M.Sc. course and encourage students to join in MOOCs/SWAYAM/NPTEL.
3. Scrutiny of Question papers of midterm of M.Sc. course and semester end examinations of previous year (2020-21).
4. Panel of question paper setters for M.Sc. course in Biochemistry.
5. Pre-Ph.D. written examination syllabus for Ph.D. Paper - I (Research Methodology) and Paper - II (Research Specializations).
6. Panel of paper setters for pre-Ph.D. written examinations (both papers).
7. YVURCET syllabus.
8. Panel of experts for selection committee.
9. Any other item.

Resolutions

1. Reviewed and resolved to approve CBCS pattern with National Education Policy as per the pattern suggested by University College.
2. Each course is holding four credits. The scheme of examinations for CBCS in University are as follows: 75+25 (Sem End + Internal)
3. It is resolved to motivate the students to participate in one SWAYAM/ MOOCs/ NPTEL programme of their choice in specified field.
4. Resolved to introduce community service programme for M.Sc. Biochemistry course of CBCS & NEP pattern. Modalities for implementation of community service programme will be worked out.
5. Previous year question papers of M.Sc. Biochemistry are scrutinized and found to be in order.

6. Resolved to approve the panel of examiners/paper setters for M.Sc., pre-Ph.D. written exams, YVUCET/APPGCET and YVURCET/APRCET.
7. Approved the syllabus for pre-Ph.D. degree course in Biochemistry Paper - I and Paper - II specialization papers.
8. Approved the syllabus for conducting entrance exam of YVURCET/APRCET.
9. Resolved to approve the panel of experts for constitution of selection committee.

1. Prof. G. Vijay Anand, Department of Biotechnology, Vikrama Simhapuri University, Nellore.
2. Prof. P. Uma Maheswari Devi, Department of Applied Microbiology, Sri Padmavathi Mahila Viswavidyalayam, Tirupathi.

Expert from industry:

1. Dr. Sridhar Rao Kunchala, Chief Scientific Officer, Oncosimis Biotech Pvt. Ltd, Genpact Road, Uppal, Hyderabad.

RESOLUTIONS:

1. **Subject 1:** Consideration and approval of the regulations of the 5 Year Integrated M.Sc. Programme in Biotechnology & Bioinformatics and implementation from the academic year 2022-23 onwards as per the NEP-2020 guidelines with multiple entries and multiple exits.

RESOLVED: Resolved unanimously and approved the regulations of 5 Year Integrated M.Sc. Programme in Biotechnology and Bioinformatics and further resolved to implement approved regulations from the academic year 2022-23 onwards as per NEP-2020 guidelines with multiple entries and multiple exits.

2. **Subject 2:** Consideration and approval of the award of degrees at multiple existing options in 5 Year M Sc Programme.

RESOLVED: Resolved unanimously and approved the award of various degrees at multiple exits - Undergraduate Certificate on completion of the first year, Undergraduate Diploma after completion of two years, B.Sc. Degree after completion of three years, B.Sc. Honors degree after completion of four years and finally 5 Year M.Sc Biotechnology & Bioinformatics on completion of five years. Due to insufficient knowledge acquired in the first year of study in biotechnology prompted to abstain Undergraduate Certificate Course.

3. **Subject 3:** Consideration and approval of introduction of 2 Year M Sc Programme in Biotechnology & Bioinformatics for B. Sc. graduates having Biotechnology/Bioinformatics/Biochemistry/Microbiology as major core with chemistry/computer science in the department along with 5 Year M Sc Programme.

RESOLVED: Resolved unanimously and approved the introduction of 2 Year M Sc Programme in Biotechnology & Bioinformatics with the intake of 12 B. Sc. graduates having Biotechnology/Bioinformatics/Biochemistry/Microbiology as major core with chemistry/Computer science) in the department along with 5 Year M Sc Programme on a self-finance basis. These students directly enter at 7 semesters of 5 Year M Sc Programme. For those students who do not have Bioinformatics subjects in their graduation, it is mandatory to appear for the Bridge course in Bioinformatics as an audit course conducted by the department or get training from SWAYAM/NPTEL/MOOCs.

4. **Subject 4:** Consideration and approval of drafted syllabi of basic sciences and general/value added courses in I – V Semesters of 5 Year Integrated M Sc Programme as per NEP-2020 guidelines.

RESOLVED: Resolved unanimously and approved the drafted syllabi as per NEP-2020 guidelines in basic sciences (Computer Science, Mathematics, Physics and Chemistry, Environmental Science) and general & value/skill added subjects (English, Language skills and communication, Principles of Management and Entrepreneurship, Global Citizenship Education, Skills for Biotechnology Industry) as per NEP-2020

guidelines in I, II, III, IV and V Semesters of 5 year integrated M.Sc. programme and decided to implement these approved syllabi from the academic year 2022-23 onwards.

5. **Subject 5:** Consideration and approval of implementation of drafted syllabi as per NEP-2020 guidelines and model question papers for 5 Year Integrated M.Sc. Biotechnology & Bioinformatics (I – X Semesters) and 2 Year M Sc Biotechnology & Bioinformatics (I – IV semesters) from the academic year 2022-23 onwards.

RESOLVED: Resolved unanimously and approved the implementation of drafted syllabi as per NEP-2020 guidelines for 5 Year Integrated M. Sc Biotechnology & Bioinformatics (I – X Semesters) and 2 Year M.Sc. Biotechnology & Bioinformatics Programmes from the academic year 2022-23 onwards and also approved the model question papers.

6. **Subject 6:** Introduction of Non-core OPEN ELECTIVE courses to the students of other PG II and III semesters under CBCS.

RESOLVED to introduce non-core OPEN ELECTIVE course 1 in VIII Semester and non-core open elective course 2 in IX Semester for 5 Year M Sc Biotechnology & Bioinformatics. Students offer to choose any Non-core papers offered by other departments of their own choice as per CBCS. Similarly, the department of Biotechnology & Bioinformatics is offering OPEN ELECTIVE course 1 with three options – 86014 A - Introduction to Bioinformatics; B – Biotechnology for Human Welfare; C – SWAYAM/MOOCs/NPTEL’ and OPEN ELECTIVE course 2 with three options - 96014 A - Natural Products in Industrial Applications; B – Green House Technology; C- SWAYAM/MOOCs/NPTEL’ for any Post-graduate students of II Semester and III Semester, respectively, under CBCS.

7. **Subject 7:** Approval of panel of examiners for paper setting or evaluation or conducting practical examinations.

RESOLVED unanimously and approved the panel of examiners submitted by the BOS chairman for paper setting/evaluation and also for conducting practical examinations. Further, it is also authorized that the BOS Chairman call/send the panel of examiners for paper evaluation and practical work from any Government University/Institute – Professor, Associate Professor, Assistant Professor and Scientist or equivalent cadre based on their expertise in the field of biotechnology & bioinformatics.

8. **Subject 8:** Review of previous question papers.

RESOLVED unanimously and reviewed thoroughly all the previous question papers and approved. And also recommend framing problem-oriented questions and MCQ.

9. **Subject 9:** Review of earlier declared results.

RESOLVED unanimously and reviewed thoroughly all the declared results and approved.

10. Subject 10: Consideration and approval of Pre-Ph.D. Research methodology syllabus and panel of examiners for evaluation of Research methodology (paper I) and specialized paper (paper II).

RESOLVED unanimously and approved the Pre-Ph.D. Research methodology syllabus and panel of examiners for paper setting or evaluation of Research methodology (paper I) and Specialised paper (paper II) and also authorized the BOS chairman to choose any Government University/Institute – Professor, Associate Professor and Scientist or equivalent cadre based on their expertise in biotechnology & bioinformatics fields.

11. Subject 11: Any other items raised by members

A. Invitation of Persons of Eminence to deliver Guest lecturers/workshops.

RESOLVED to authorize the Chairman, BOS/HOD to invite eminent scientists/personnel in their respective fields to deliver guest lectures/hands-on training workshops for the benefit of students for which necessary budgetary provision may be provided by the university.

B. Consideration of the decision taken by the Chairman, Board of studies in case of exigencies on behalf of Board of Studies.

RESOLVED that the Chairman, Board of studies is authorized to take a decision on behalf of Board of Studies if any exigency arises.

C. Educational/industrial tours

RESOLVED that one week educational tour during VIII Semester visit the prestigious institutes or R&D laboratories/Research parks/industries to get exposure to various tools and instruments and also to meet with scientific personnel to inculcate scientific savor in the minds of students. For the same, the necessary budget may be provided by the university.

D. Approval of eligibility of Professional courses for registration of Ph.D. course in Biotechnology and Bioinformatics.

RESOLVED unanimously and approved eligibility of Professional courses (B.Tech / M.Tech / MBBS / MVSc / M.Sc Agriculture) along with M.Sc., Biotechnology / Bioinformatics / Biochemistry / Microbiology / Genetics / Botany / Zoology / B.Sc. Honors for the registration of the Ph.D. course in Biotechnology and Bioinformatics.

E. Approval of Extramural Research Programme for industry/institution scientists.

RESOLVED unanimously and approved the Extramural Research Programme for the scientists working in industries/institutions and encouraged to have a Memorandum of Understanding (MOU) with Industries for accommodating industrial training, and giving job opportunities for the students.

Resolutions:

Subject 1: Consideration of modifications and approval of Regulations for 5 Years Integrated M.Sc Earth Sciences Course w.e.f. the academic year 2021-22.

Resolved to Modify the Regulations for M.Sc. 5 year Integrated Courses for the academic year 2021-22.

Subject 2: Consideration and approval, to change the course title from 5 Years Integrated M.Sc. Earth Sciences to 5 Year M.Sc. Applied Geology (Integrated) and to affect from 2021-22.

Resolved to change the course title from from 5 Years Integrated M.Sc. Earth Sciences to 5 Year M.Sc. Applied Geology (Integrated) and to affect from 2021-22.

Subject 3: Consideration and approval, to allow the student to exit with undergraduate Degree certificate (B.Sc. Geology) after 3 years of completion of the course. Students who completes 5 years course will get both undergraduate Degree and Post graduate Degree certificate w.e.f. the academic year 2021-22.

Resolved to allow the student to exit with undergraduate Degree certificate after 3 years of completion of the course. Students who completes 5 years course will get both undergraduate Degree and Post graduate Degree certificate w.e.f. the academic year 2021-22.

Subject 4 Approval of syllabi and Model question papers from I to X Semesters for 5 Year M.Sc. Applied Geology (Integrated) w.e.f. the academic year 2021-22.

Resolved to approve the Model question papers for 5 year Integrated M.Sc., I to X semesters w.e.f. the academic year 2021-22.

Subject 5: Introduction of Non Core paper with credits w.e.f. the academic year 2021-22.

Resolved to introduce noncore paper 1 IX Semester students of Earth Sciences by opting papers from other Depts. on their own choice. Similarly Dept. of Earth Science is decided to offer Paper 96025. Fundamentals of Earth sciences for any YVU PG student of III semester Under CBCS.

Subject 6: Consideration and approval for introducing National Education Policy w.e.f. the academic year 2022-23.

Resolved to introduce NEP 2020 w.e.f 2022-23.

Subject 7: Preparation of panel of Examiners for Paper Setters/ Practical Examiners

Resolved the prepared list of Examiners submitted by the Chairman were approved.

Subject 8: Review of Previous Question Papers (Earth Sciences)

Resolved that the Question Papers (Earth Sciences were reviewed and approved.

Subject 9 : Review of Results.

Results published by YVU – Geology and Earth Sciences were reviewed and approved.

Subject 10: Any other Item raised by the Members.

A. Invitation of Persons of Eminence to deliver Guest lecturers.

Resolved to authorize the Chairman, BOS/HOD's to invite the persons of eminence in their respective field to deliver guest lecturers for the benefit of students for which necessary budgetary provision may be provided by the university.

B. Consideration of decision taken by the Chairman, Board of studies in case of exigencies on behalf of Board of studies.

Resolved that the Chairman, Board of studies is authorised to take decision on behalf of Board of studies if any exigency arises.

C. The Members unanimously felt that Earth Sciences departments are field oriented subjects requires to impart Weekend field training for VII to X Semester Earth Science students.

Keeping in view, it is **resolved** to organize the field training for Earth Science students for which necessary budget may be provided in the university budget.

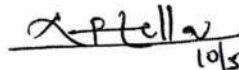

D. Educational Tours: Further it is also resolved to have two week Programme of Geological tour during the VIII/X Semester students of Earth Science to visit the various mines and different geological domains of India and necessary budget may be provided.

6. Dr. S. Sumithra : Member
7. Mr. K. Venkata Subba Reddy : Member (Industry)
8. Mr. K. Yavan Kumar : Member (PG Meritorious student)

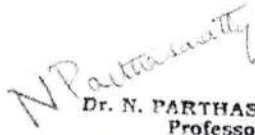

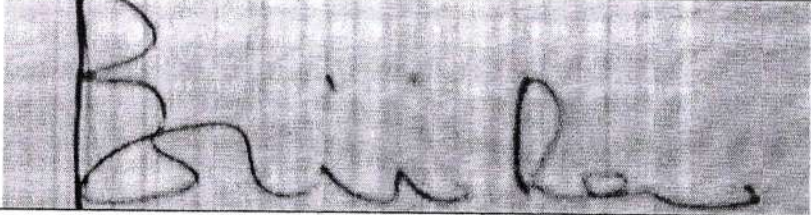

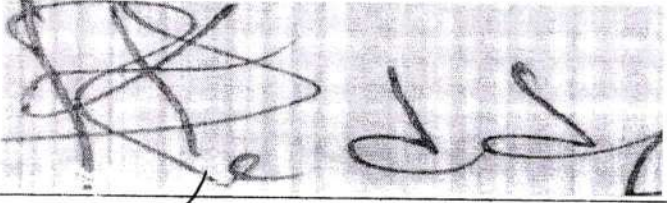

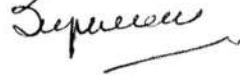

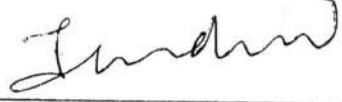

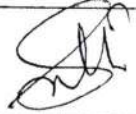

The Board of Studies in Environmental Science considered the following agenda for the meeting.

1. Course pattern, syllabus, scheme of examination for M.Sc. Environmental Science w.e.f. 2021-22 based National Education Policy 2020; along with Programme Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs), Course Objectives (COs) and Expected Course Outcomes (ECOs).
2. Modalities for implementation of National Education Policy (NEP) in M.Sc. course and encourage students to join in MOOCs/SWAYAM/NPTEL.
3. Panel of question paper setters for M.Sc. course in Environmental Science.
4. Panel of experts for selection committee.
5. Any other item.

Resolutions

1. Reviewed and resolved to approve CBCS pattern with National Education Policy as per the pattern suggested by University College.
2. Each course is holding four credits. The scheme of examinations for CBCS in University are as follows: 75+25 (Semester Examination + Internal)
3. It is resolved to motivate the students to participate in one SWAYAM/ MOOCs/ NPTEL programme of their choice in specified field.
4. Resolved to introduce community service programme for M.Sc. Environmental Science course of CBCS & NEP pattern. Modalities for implementation of community service programme will be worked out.
5. Previous year question papers of M.Sc. Environmental Science are scrutinized and found to be in order.
6. Resolved to approve the panel of examiners/paper setters for M.Sc.

RESOLUTIONS

- (1) It is resolved and approved to apply Implementation of 4 credits for each of the Six papers (In this credits for each two non-core papers [with open elective (A), (B) & (C)] and one Skill Oriented course practical and Multidisciplinary project) for M.Sc., Mathematics students admitted in the Department of Applied Mathematics during the academic years 2021-2022 including for M.Sc., offered in Affiliated colleges for students admitted during the academic year 2021-2022.
- (2) It is also resolved and approved to have the following detailed course structure regarding Total Marks= 2400 and Total credits 96 (each Practical's marks = 100, Each Internal marks = 25 , each External marks = 75, for this each Semester total internal = 125 and external = 475, Total = 600 : Each semester credits 24).

Course Total Marks: 2400

Previous	Semester -I	600 marks	(24 Credits)
	Semester -II	600 marks	(24 Credits)
Final	Semester -III	600 marks	(24 Credits)
	Semester -IV	600 marks	(24 Credits)

Examination Pattern: Each theory paper consists of section A and section B .Section A consists of eight short questions each unit consists of two short questions, students has to Answer five out of eight questions and each short question carries 5 marks (5 x 5 = 25 marks). Section B consists of four essay type questions with internal choice from each Unit carrying $12\frac{1}{2}$ marks ($12\frac{1}{2} \times 4 = 50$). Grand Total = 75 Marks.

- (3) It is also resolved to approve the Paper - I (common to all Ph.D Students) & Paper - II as a specialization paper for Pre-Ph.D examination to the Ph.D students.

The following resolutions are made in the meeting :

SUBJECT: Implementation of 4 credits for each of the Six papers for M.Sc., Mathematics students admitted in the Department of Applied Mathematics during the academic years 2021-2022 including for M.Sc., offered in Affiliated colleges.

Note: Internal Assessment Total 500 instead of 400, Semester End Exam Total 1900 instead of 2000

- All core papers are Mandatory
- Compulsory Foundation choose one paper.
- Internal/Open Elective – Choose one paper each Open Electives are for students of other Departments in the varsity.
- Skill Oriented course is mandatory. Relevant society along with practical (10 marks internal, 40 final theory and 50 for practical's).
- Interested students may register for SWAYAM /MOOCs/ NPTEL with the approval of the concerned DDC for the award of the grade as 'open elective'.
- Choose one from Multi-Disciplinary (Circle formation with other subjects/Dept. of Arts/ Commerce) Course or Project (Collaboration with various firms/companies/societies) work.

Sir,

Sub: Department of Applied Mathematics–Board of Studies–Confirmation on the modifications in the syllabus of M. Sc Mathematics & Ph.D programme through Board of Studies Meeting–Information–Regarding.

-o0o-

This is to inform you that the meeting of the Board of Studies with all the members was conducted on 26.04.2022 and about 55% (CBCS to NEP) of syllabus was modified when compared to previous version of the syllabus of Two Year (4 semesters) M.Sc., Mathematics programme and also 20% of syllabus was modified when compared to previous version of the General paper Mathematics syllabus of Ph.D Mathematics programme. The implementation of the above syllabus is from the academic year 2021–2022 onwards.

Thanking you

Chairman, Board of Studies

The Board of Studies in Microbiology considered the following agenda for the meeting.

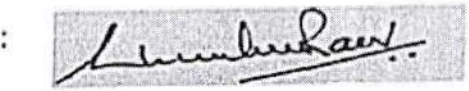

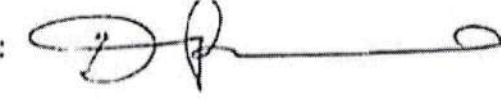

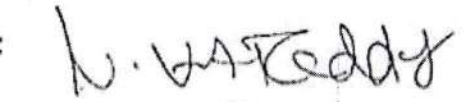

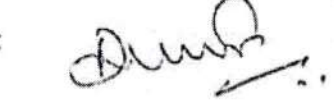

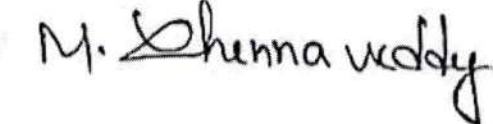

1. Course pattern, syllabus, scheme of examination for M.Sc. Microbiology w.e.f. 2021-22 along with Programme Educational Objectives (PEOs), Programme Outcomes (POs), Programme Specific Outcomes (PSOs), Course Objectives (COs) and Expected Course Outcomes (ECOs).
2. Modalities for implementation of National Education Policy (NEP) in M.Sc. course and encourage students to join in MOOCs/SWAYAM/NPTEL.
3. Scrutiny of Question papers of midterm of M.Sc. course and semester end examinations of pervious year (2020-21).
4. Panel of question paper setters for M.Sc. course in Microbiology.
5. Pre-Ph.D. written examination syllabus for Ph.D. Paper – I (Research Methodology) and Paper – II (Research Specializations).
6. Panel of paper setters for pre-Ph.D. written examinations (both papers).
7. YVURCET syllabus.
8. Panel of experts for selection committee.
9. Any other item.

Resolutions

1. Reviewed and resolved to approve CBCS pattern with National Education Policy as per the pattern suggested by University College.
2. Each course is holding four credits. The scheme of examinations for CBCS in University are as follows: 75+25 (Sem End + Internal)
3. It is resolved to motivate the students to participate in one SWAYAM/ MOOCs/ NPTEL programme of their choice in specified field.
4. Resolved to introduce community service programme for M.Sc. Microbiology course of CBCS & NEP pattern. Modalities for implementation of community service programme will be worked out.
5. Previous year question papers of M.Sc. Microbiology are scrutinized and found to be in order.

6. Resolved to approve the panel of examiners/paper setters for M.Sc., pre-Ph.D. written exams, YVUCET/APPGCET and YVURCET/APRCET.
7. Approved the syllabus for pre-Ph.D. degree course in Microbiology Paper – I and Paper – II specialization papers.
8. Approved the syllabus for conducting entrance exam of YVURCET/APRCET.
9. Resolved to approve the panel of experts for constitution of selection committee.

9	Mr. R. Venkatesh	PG Meritorious Student (Student’s Representative), Dept. of Physics, Y.V.University, Kadapa

The chairman welcomed the members and placed before them the following agenda for discussions.

AGENDA:

ITEM-1: Consideration of approval of Syllabi for M.Sc. (Physics) I – IV Semesters for the students who are admitted for the academic year 2021-2022 onwards. The syllabi include mandatory core papers, internal electives and open elective in III semester in accordance with the CBCS pattern of NEP 2020.

ITEM-2: Consideration of approval of model question paper and panel of examiners.

ITEM-3: Consideration of decision taken by the Chairman, Board of Studies in Physics in consultation with the internal members in case of exigencies on behalf of the Board of Studies.

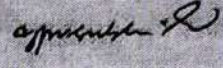

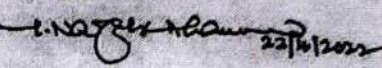

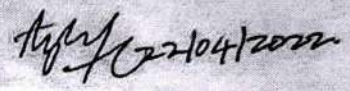

ITEM-4: Consideration of existing Internal (25M) and External marks (75M) proportions for each paper in I, II, III and IV semester for University College and Affiliated College(s).

RESOLUTIONS:

1. M.Sc. Physics (CBCS) Syllabi (I – IV Semesters) for the students who are admitted in the academic year 2021 – 22 are considered and discussed in detail. All the suggestions are incorporated and unanimously approved by the members for I, II, III & IV Semesters of M.Sc. (Physic)
2. It is resolved to approve the model Question Paper for M.Sc. Physics for all the semesters and Panel of Examiners Paper wise for paper setting and valuation.

3. It is resolved to authorize Chairperson, Board of Studies to take appropriate decisions on behalf of Board of Studies in consultation with internal BOS members, if situation warrants.
4. It is resolved to have the following proportion of internal and external marks for each paper in I, II, III and IV semester for University College and Affiliated college(s).

University College – Internal:25 External:75
 Affiliated College(s) – Internal:25 External:75

Program Educational Objectives (PEOs)	
PEO1	The student will have significant prospects in the various fields like academics, industry, research organization, consultancy, defense and entrepreneurial pursuit at national/international level.
PEO2	The student will achieve peer recognition as an individual or team member having specialized knowledge and expertise to identify, formulate, investigate, analyze and implement on the problems in physical sciences.
PEO3	The student will have a solid foundation for academic excellence and quality leadership to meet the challenges in interdisciplinary and multi-disciplinary environment
PEO4	The student will have ability to adopt, absorb and develop innovative and new technology in physical sciences and related areas through lifelong learning process.
PEO5	The student will inculcate value system and work ethically in a multidisciplinary environment, to enhance the advancement in physics in general and contribute significantly through their critical thinking and scientific competence.

Program Specific Outcomes (PSOs)	
PSO1	On completion of the course the students will be able to explain the wide range of physical phenomena with underlying principles with respect to condensed matter physics, nuclear and particle physics both scientifically and in the wider perspective to the community.
PSO2	The current status of physics and associated developments can be understood and explained thoroughly.
PSO3	Show the ability to solve physics related problems and demonstrate the physics phenomenon through experiments.
PSO4	Well qualified to clear national level and state level qualifying examinations for research and teaching at graduate and postgraduate levels.
PSO5	The knowledge acquired during the course would also make the students able to pursue their higher studies as well as to use their knowledge to get into R & D and industrial sector.
PSO6	The knowledge acquired during the course will make the students to think, innovate and help to make original contribution to the domain knowledge.
PSO7	The inter-disciplinary knowledge gained during the course will help the student to understand a problem in a better way and would be able to address the problem with a complete understanding.

Program Outcomes (POs)	
PO1	Physics knowledge: The MSc physics programme create a comprehensive scientific knowledge, and this knowledge will help to understand, explain, and to solve advanced scientific problems.
PO2	Problem analysis: Identify, formulated and analyse advanced problems in physics.
PO3	Design/development of solutions: Design solutions for complex problems using the knowledge of physics.
PO4	Conduct investigations of complex problems: Use methodology and knowledge of physics to design innovative experiments, analyse and interpret the data.
PO5	Modern tool usage: To apply modern experimental and theoretical tools of physics along with modern computation technology to predict and model advanced problems in physics.
PO6	Physics and society: Apply the knowledge of physics to critically assess and analyse the problems of society.
PO7	Environment and sustainability: To ensure that the development in physics maintains and sustains the environment.
PO8	Ethics: Apply and commit to professional ethics of physics.
PO9	Communication: Effectively communicate the activities of physics to physics community and to society through effective presentation, reports and documentation.
PO10	Life-long learning: Recognize the need to engage in independent and life-long learning in the context of scientific/ technological change.

RESOLUTIONS

1. The Board considered the amendments to the syllabus and regulations of MBA and MBA(HR) courses and approved the changes.
2. The Board resolved that, the approved regulations, course structure and syllabus are to be adopted with effect from the academic year 2021-22.
3. It is resolved to continue the prevailing internal Component (30 marks) as the same system is in vogue in almost all Universities of Andhra Pradesh except JNTU (40 marks). However, after carefully reviewing the request made by the Academic Section of YVU to have uniform pattern i.e. 25 marks as internal component in all Departments of University College, it is resolved to leave the decision of finalizing the Internal component for MBA and MBA(HRM) departments to the University Authorities.
